About Adult Assignments:

Dance Monitors will need to be in the Pantlind Ballroom from 9:00 to 10:30pm. You will be monitoring student behavior to make sure they are not dancing inappropriately. Please remember that all students must have on a school or DECA T-shirt or sweatshirt.

Mock Competition individuals will assist as evaluators for students that are participating in the practice competition that is being held Wednesday afternoon. They should come to the Governor's Room at the Pantlind section of the hotel at the time indicated.

New Advisors will receive a list of suggested workshops that we feel will be of the greatest benefit to new advisors.

Room Monitors will introduce and thank the speaker during workshops and make sure that students are listening during the session. Please pick up your Room Monitor Packet 20 minutes prior to the time that you are scheduled.

Speakers are advisors that will be presenting workshops at the conference.
