

WRITTEN EVENT SUBMISSION GUIDELINES

FOR MOST WRITTEN EVENTS AT THE STATE CONFERENCE

Michigan DECA will use an online submission process for most of the written events at the State Conference. We will not hold a Written Event Screening day. The screening will be done online by a group of individuals that have been selected to assist with the process.

These requirements are in effect for written events submitted to Michigan DECA for the State Conference only. These requirements are in addition to the guidelines set by National DECA.

JANUARY 2021 UPDATE - Events that will need to be submitted online only:

Only those students who signed the Statement of Assurances and Academic Integrity form and have been included on the chapter's registration form will be allowed to compete in the event.
5. All content must be original work of the student(s) that signed the DECA Statement of Assurances and Academic Integrity form. No part of the written project can be previously entered into competition or

submitted in another DECA competitive event. Any events that are found to be plagiarized or previously submitted into competition will be disqualified. Those students will be dropped from the conference, and are not eligible for a refund of the conference registration fee.

6. We strongly recommend that these projects have a minimum number of pages of at least half of the maximum pages allowed.

12. Michigan DECA will send the entries to judges that have volunteered to evaluate written events prior to the State Conference.
13. Other individuals will be recruited to evaluate the presentation at the State Conference. Michigan DECA staff will print the executive summary for each judge hearing the presentation at the State Conference. The two scores will be added together to determine the State Champion for each section.
14. Any project that receives penalty points at the State Conference must be corrected prior to being submitted at the International Conference. Projects competing at the International Conference will not be submitted online. They must be printed and placed in the proper folio as per the event's guidelines, and turned in during the competition's briefing period.
