See page 1.*
 - For the students that will be competing at the District Conference, make any changes as necessary to their gender and grade level, and chose a participant type (Student) for each.
 - Click SAVE at the bottom of your student member list. This will take you to your main list of registrations.

 - Place a check next to the correct event.
 - For team events, keep the #1 in the team number column for both students on the team. You will only change the number when you register a second team in that event. (*For example, you register John & Mike in STDM team #1. Next you register Charlie & Grace in BTDM team #1. Then you register Kate & Stacy who are also competing in BTDM; then you will change the team column to #2 for both Kate & Stacy, since you will have 2 teams in BTDM.*)
