

Policy for the Protection of Youth

It shall be the policy and covenant of Michigan DECA to do everything in our power to prevent physical, emotional, or sexual abuse against children, youth, and adults who patronize Michigan DECA or activities sponsored by Michigan DECA. We are covenanted to be aware of our legal responsibilities to comply with those responsibilities and go beyond those responsibilities when necessary to act justly in the best interest of those who have been abused or those most vulnerable to abuse.

Michigan DECA will require all Advisors to certify that their school has screened them and have received sexual abuse training from their school and that all chaperones assisting with any Michigan DECA conference or activity are aware of Michigan DECA's and their school's sexual abuse policies. Advisors will annually attest that they follow these procedures by submitting their completed Advisor Code of Ethics each fall.
